

BIBLE STUDY FEEDBACK – GROUP LEADERS

what about sickness and death? and how about healing and life!

Chapter number	Draft version number	Church or group	Numbers attending	Date of review

Thank you for leading this Bible study and for taking the time to give feedback. The study is still in draft form and your experience of using it with a group is very valuable. Please complete as many of these sections as you can, and please be honest and candid. Any suggestions for improvement are especially helpful. God bless you.

Overall rating of the study as a group resource [1=very poor, 5=acceptable, but needs work, 8=strong, 10=excellent]	
How easy was it to lead discussions using this material?	
How well did the study stimulate discussion?	
How clear and understandable was the study for participants?	
Did any sections feel uncomfortable, too strong, or pastorally difficult to handle?	
Did any participants react strongly to particular topics?	
Was the amount of material appropriate? Too short – about right – too long	
How useful was the question at the beginning of the chapter?	
How useful were the questions at the end of the chapter?	
Would you use this study again with another group?	
Would you recommend this study to other churches or leaders?	
Any other comments or suggestions?	

Please scan this form with any participant forms and email to dr@livingwordlabels.co.uk
