

BIBLE STUDY FEEDBACK – PARTICIPANTS

what about sickness and death? and how about healing and life!

Chapter number	Draft version number	Church or group	Date of review

This Bible study is still in draft form and your experience of using it is very valuable. Please complete as many questions as you want to. No need to answer all of them – just the ones where you have something to say. Be honest and candid. Any suggestions for improvement are especially helpful. Thank you for your feedback and God bless you.

Was there anything that felt too harsh or that might put someone off?	
Was there anything you strongly disagreed with, and why?	
Were there important questions you felt were not addressed?	
Was there anything you found confusing or hard to follow?	
Was there a point where you nearly stopped reading, and if so, why?	
What was the single most valuable thing in the chapter for you personally?	
How would you describe yourself?	Seeker / new Christian / Mature believer / Church leader / Medical or care background / Theology background / Other
